## Swan Lake SC150 - Flower Arch Trellis AR411

**T**HIS decor combines our scenic decor Swan Lake with the architectural elements of French-inspired trelliswork, adorned with arabesques of flowering bindweed. The matching ceiling invites us to immerse ourselves totally in the setting. The arches are designed to match the dimensions of the walls to be decorated, revealing the chosen sections of the landscape. This decor can be offered in the various Swan Lake colorways, and the color of the trellis can also be adapted. This combination of architectural elements with a scenic decor is an option available for all our landscapes.
