CLOCKWISE FROM ABOVE:

An indigo Greek key-inspired motif (fabric and wallcovering, Katie Leede) animates the media room. Sconces, Visual Comfort & Co. • A Ming dynasty Cizhou wine jar refashioned into a lamp sits atop an antique Swedish chest in the foyer (both from Doyle). • A Dale Goffigon tropical photograph (KRB) presides over another daughter's botanical-wrapped bedroom (wallcovering, Iksel). • White oak warms the kitchen's nickel pendants (Ann-Morris) and Calacatta Oro Supreme countertops and backsplash.
