Full bloom

Made for the maximalists, Fromental's exquisite Dynasty Peonies wallcovering makes a glamorous statement in any space. Featuring scaled-up peonies at their floriferous best – hand-painted on gold silk ground – it's guaranteed to spark wonder. To temper the blooms, use it in panels framed with woodwork in a rich red-earth hue, paired with cobalt accents.

Dynasty Peonies **wallcovering** in Alexis, hand-painted on paper-backed silk, £1,600 per panel, H300cm x W91.5cm, Fromental →
